Dear [REDACTED]

I hope this finds you well. Great to speak earlier; my apologies again for any inconvenience caused for changing the plans.

Just want to confirm that Mark Turnbull and David Wilkinson will arrive tomorrow afternoon (in time for supper and for their talk on Friday morning).

In case they have questions when/before they arrive, will it be ok to give your direct line: +44 (0) [REDACTED]

Many thanks,

Tee

Dear [REDACTED]

To clarify on the accommodation for this event, I can confirm that overnight accommodation will be arranged for the night of Wednesday 22 February for both Mark and David.

Due to the limited number of rooms available on site at Wiston House, we also book additional rooms in a local hotel for accommodation only. The cost of this is covered by Wilton Park. Transport will be arranged to bring Mark, David and other participants to Wilton Park for breakfast each morning and to return them to the hotel in the evening to sleep.

We will advise before the meeting if either Mark or David have been allocated one of these rooms but either way accommodation will be arranged for the 22.

Could you please confirm the time Mark and David wish to depart on the 23rd? The registration form looks to say 1800 but I just want to double check to ensure I allocate meals for the correct duration of their stay.

Many thanks,

Dear [REDACTED]

Thank you for your call earlier; it was a pleasure to speak with you.

As discussed, we are waiting for hotel confirmation - otherwise the bios and application form for the event was sent on the 22nd December.

Logistics:

Speakers

Both Mark Turnbull (our Managing Director, with over 20 years of political, communications and PR experience) and David Wilkinson (our Senior Data Scientist, who worked on the Trump Campaign) will be speaking at the event.

Hotel

Please see correspondence that I have been having with your colleague, [REDACTED] - who confirmed their attendance and said she would revert back with a hotel booking clarification.

List of Attendees

Would it be possible for your team to send a list of attendees so we understand the audience?

1-1 Meetings

Would it be possible to arrange 1-1 meetings if requested by our Managing Director?

If you have any further questions, please do not hesitate to contact me directly: [REDACTED]

Warm wishes,

Dear [REDACTED]

Thank you for returning the completed registration form for Mark Turnbull and David Wilkinson. We are delighted they are able to join us for this meeting. I can confirm their places and advise that overnight accommodation will be arranged for the nights of Wednesday 22 and Thursday 23 February.

Due to the limited number of rooms available on site at Wiston House, we also book additional rooms in a local hotel for accommodation only. The cost of this is covered by Wilton Park. Transport will be arranged to bring you and other participants to Wilton Park for breakfast each morning and to return you to the hotel in the evening to sleep.

We will advise before the meeting if either Mark or David have been allocated one of these rooms.

I have noted that Mark and David will make thier own way to Wilton Park on the afternoon of Wednesday 22 February. They are welcome to arrive from 1500; the event will start at 1600. As they are driving to Wilton Park directions to Wiston House are available at ~~Directions~~ ~~by car~~ The satellite navigation system postcode is BN44 3DZ and our GPS Coordinates are: North 50°53'59" West 00°21'29". Please do not turn off the A283 until the sign for Wilton Park Conference Centre and Wiston House.

The House is set in parkland so please take care on your approach as there are grazing animals in the adjacent fields and they are prone to suddenly crossing the driveway. Once you arrive at the security gate, please press the buzzer to speak to reception, and then drive past the house to the main car park.

The registration form is not clear as to when Mark and David will be departing from Wilton Park. Could you please clarify for me whether they will both be staying until the end of the meeting on Friday 24 February at 1400 or departing earlier? I would appreciate if you could advise.

There are tennis courts available for use in the grounds. Rackets and balls are provided at Reception but please come prepared with suitable clothing and footwear if you wish to make use of this facility.

We look forward to welcoming Mark and David to Wilton Park on Wednesday 22 February. I look forward to receiving clarification from you regarding their departure.

In the meantime, if you have any questions or need further information, please do not hesitate to contact me.

Kind regards

Dear Mr Turnbull

**Wilton Park meeting: Diplomacy in the information age
Wednesday 22 February – Friday 24 February 2017 | WP1519**

On behalf of [REDACTED] Programme Director, I am writing to invite you to participate at the above Wilton Park dialogue, to be held at Wiston House, West Sussex. The meeting is being run in association with the UK Foreign & Commonwealth Office.

This meeting will explore the evolving threats to and opportunities for Diplomacy in the Information Age and bring together senior level policy-makers, academics, corporate executives and other non-government directors. Diplomacy includes obligations to protect citizens, project global influence and promote prosperity.

We will be exploring four inter-related themes by discussing recent trends and developments and also considering a 10-20 year horizon scan:

- Networks – both diplomatic and social. Understanding, developing, disrupting them. How are networks evolving beyond traditional geographically centred relationships to align with interests and ideologies?
- Knowledge – building and management – combining open source, proprietary and privileged information to deliver powerful insights and deep understanding. Big data – finding the signal in the noise.
- Influence – how people get information and form opinions is changing. New phenomena are emerging: post-truth, echo-chambers and filter bubbles. What are effective influencing strategies that embrace these changes?
- Forecasting – how can data and data-driven decision making help us to anticipate issues and opportunities early and where possible take effective action to mitigate/exploit these?

There will also be some “spotlight sessions” on other topics of interest to the FCO and our partners. The themes and questions have been chosen to stimulate debate.

We hope that this dialogue will:

- Explore with you our early Data Strategy for Foreign Policy and seek your views in shaping this
- Begin a conversation on crafting a common approach to data among likeminded international partners, creating active partnerships
- Expose participants to the latest innovations in the areas of the conference themes
- Develop a community of Thought Leaders on Diplomacy in the Information Age

You are invited as our guest to the conference; your participation fee, meals and accommodation for the event will be covered by Wilton Park.

Please confirm your intention to attend by replying to this email by **Tuesday 22 December 2016**, along with attached registration form.

I very much hope that we will have the pleasure of welcoming you to Wilton Park for this event and look forward to hearing from you.

Kind Regards
